ABOUT THE COVER

The scene depicted on the cover of the 1992-93 ELBALA is of the historic Elba tressel. The railroad began running through Elba in 1898. Although the railroad has since ceased to run, the tressel remains as a reminder of Elba's rich heritage.

The infinite point made by the railroad track heading toward the horizon symbolizes the future, as expressed in the 1992-93 Elbala theme From this point on ... The Elbala staff chose this theme because it believes Elba High School's best days are yet to come.

Elba High School

103 Tiger Drive
Elba, Alabama 36323
(205) 897-2266

The 1992-93 school year was a momentous time in the life of Elba High School. After two and a half years, the doors of the new school building finally opened. A great sense of pride overcame every student and faculty member as each took his or her first steps down its long halls. The pride that swelled in every heart was not just for the magnificent facility; more importantly, it was for a sense of triumph over adversity. The many obstacles and setbacks that everyone faced during the two and half year transition period drew the student body and faculty together as one. The sight of the new campus revealed to all that their dedication and perseverance had been rewarded.

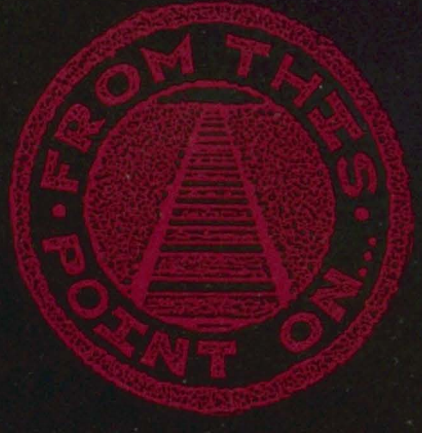

The first year in the new facility was an adventure in the truest sense of the word. The first week students and teachers alike were overwhelmed by the building's size and complexity. Although everyone lost their way occasionally, all enjoyed the exciting, new experience.

The year was a whirlwind of events. Time went by so quickly that its end caught many by surprise. The 1993 Elbala seeks to capture these great events so they will not be forgotten.

A new era has begun at Elba High School. Many new chapters have yet to be written. Many glorious days await Elba High School *from this point on . . .*

SGA president Lakia Hammonds passes a little knowledge on to seventh grader Jake Cowen. The senior class leaves to the underclassmen many rich traditions and many hopes for a bright future.

New School . . . New Experiences

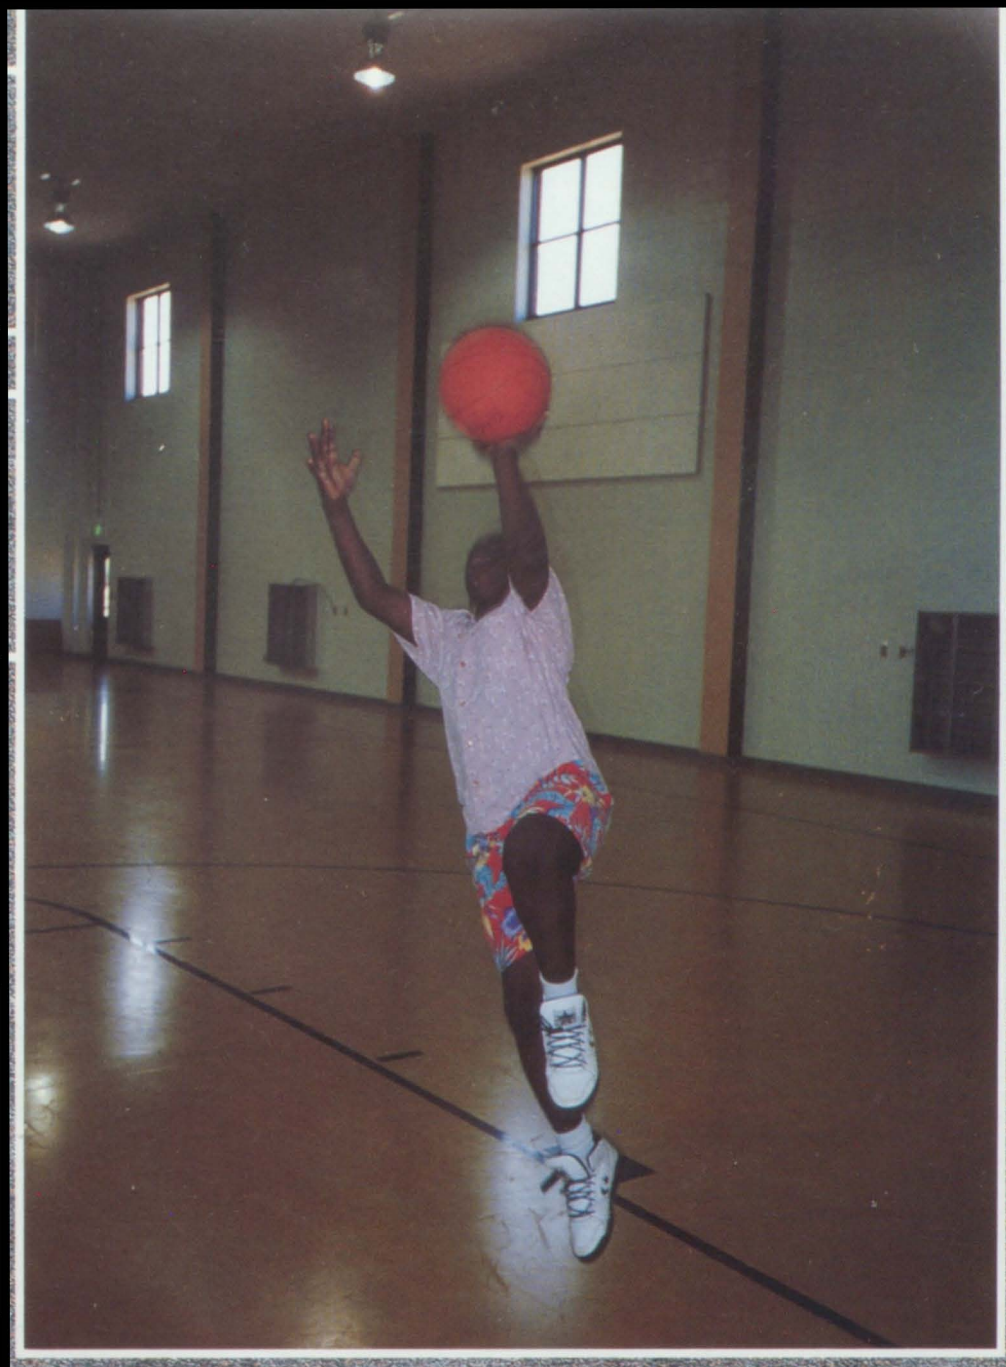

As the 1992-93 school year commenced, excitement filled the air in anticipation of finally moving into the new school building. Everyone was amazed by the impressive facilities, and many were even overwhelmed by them. Each day held new experiences that were met with enthusiasm and high expectations. The new challenges that awaited were eagerly undertaken with hopes that this year would be the best ever at Elba High School. Although obstacles still lay along the way, the year did bring great success. Most importantly, a sense of pride was renewed as the students of Elba High School could now claim one of the best school facilities in the nation.

Hey, this is good! These eighth graders take time out to enjoy the short order line.

Lamont takes on the vending machine and loses — his money.

Move over, Air Jordan, and make room for Air Parker! Marcus shoots a few hoops in the practice gym. It is one of two gyms Elba High is fortunate to have.

Check it out! Loretta decides to catch up on a little reading while visiting the library. This new facility features the latest in library resources.

Jennifer and Jarrod play mad scientist in the new science lab. It is equipped for both life science and physical science experiments.

We're in the money! Tiffany and Emily count the receipts from the sale of the in-school paper, *Tiger Times*, which was revived by the journalism staff this year.

Okay, Mary. Last time. You have to turn it *on* first.

Come and eat! After eating all this good food, these girls won't need to eat lunch.

CLASS TIME

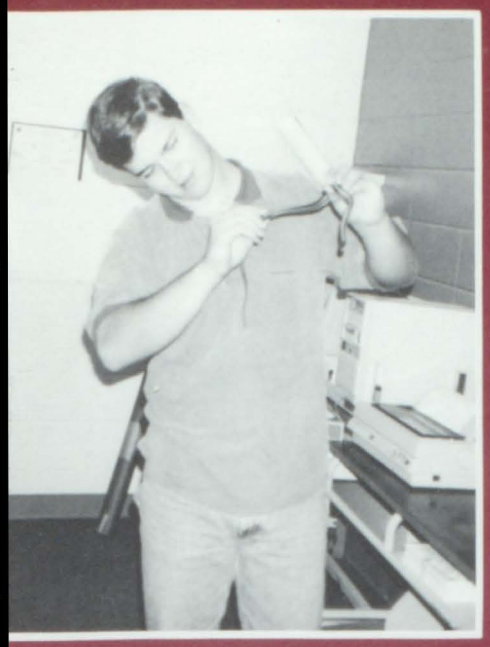

Before the test, these seniors are studying the easy way. Don't tell Mrs. Tucker!

Don't disturb me! We either disturbed Costellus from his work or nap.

FROM THIS POINT ON...

Jeremy saves the school from this garden snake.

Rosco says, "Welcome to *my* classroom."

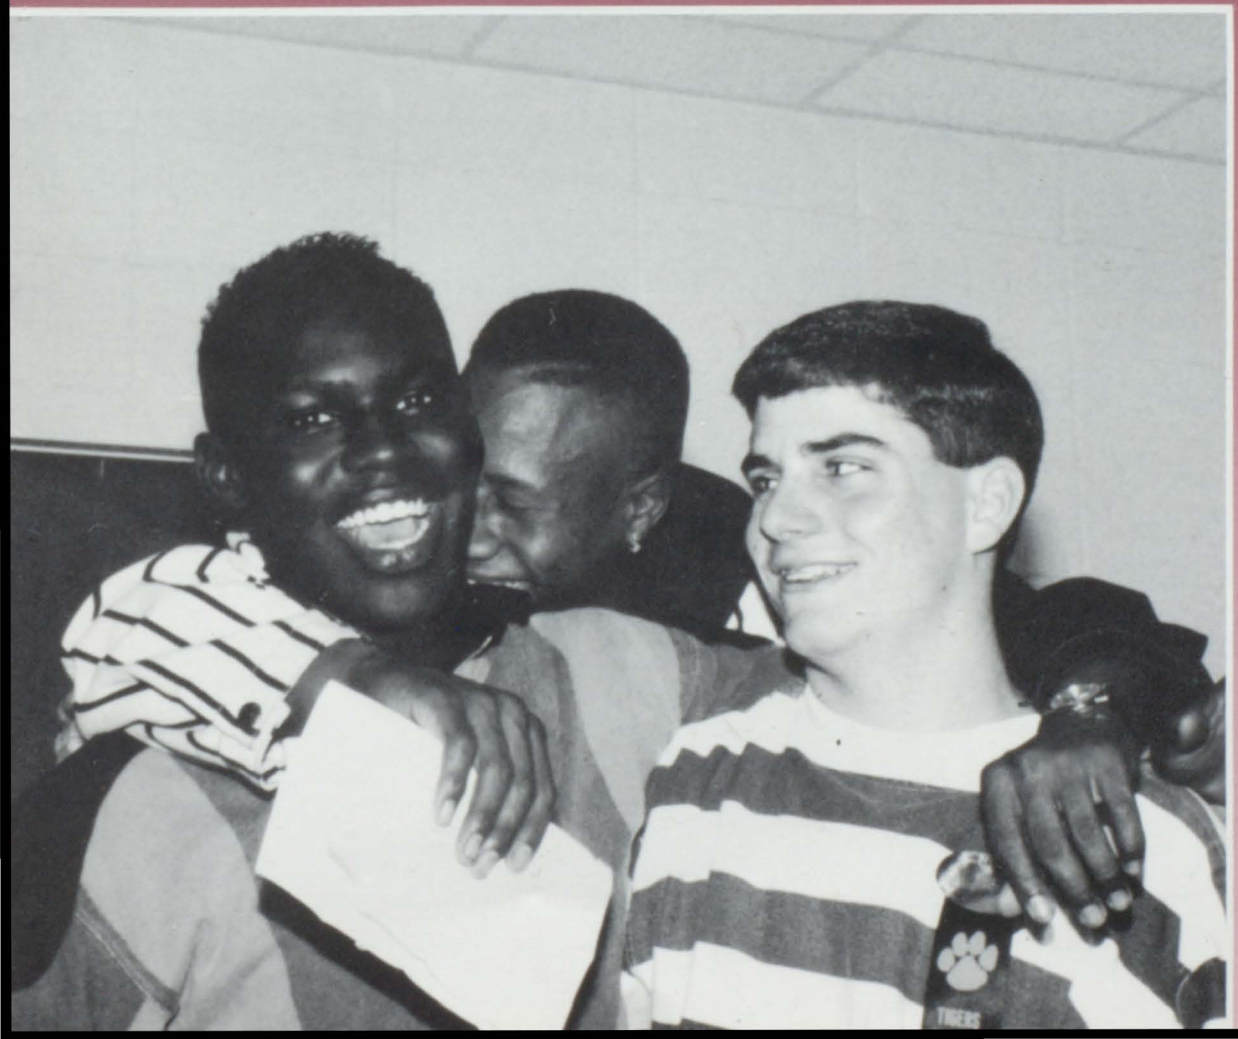

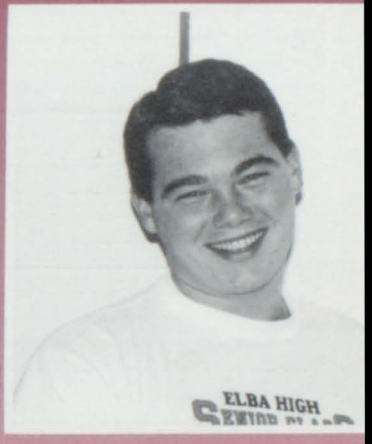

Mornin' Todd. Ever thought about going to bed a littler earlier?

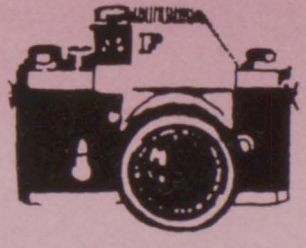

Through the years class time at Elba High School has remained quality time. Since 1990 the student body at E.H.S. has been housed in less than favorable facilities. Despite the conditions of the "class rooms" teaching and learning continued. 68 students have received academic or vocational scholarships in the past three years. **From this point on,** the students will strive to carry on this valued tradition.

What's this! It looks like we've having a party in here.

Greg Adkins — Mr. Photogenic 1993

What a class! Stan, Vincent, and Alan are taking a short break.

EHS Pride

Kanahesia, Jamelle, and Loretta are very happy to be studying government, or are they really studying? Hmm!

Just think about what it means — EHS Pride. Webster defines our pride as a reasonable or justifiable respect for Elba High School. We have a fine facility of which to be proud. On top of that, we have an outstanding tradition and history. Most of all, we take pride in ourselves. *From this point on*, we have to create a brand new tradition, make new history, and be the best student body yet to come through EHS.

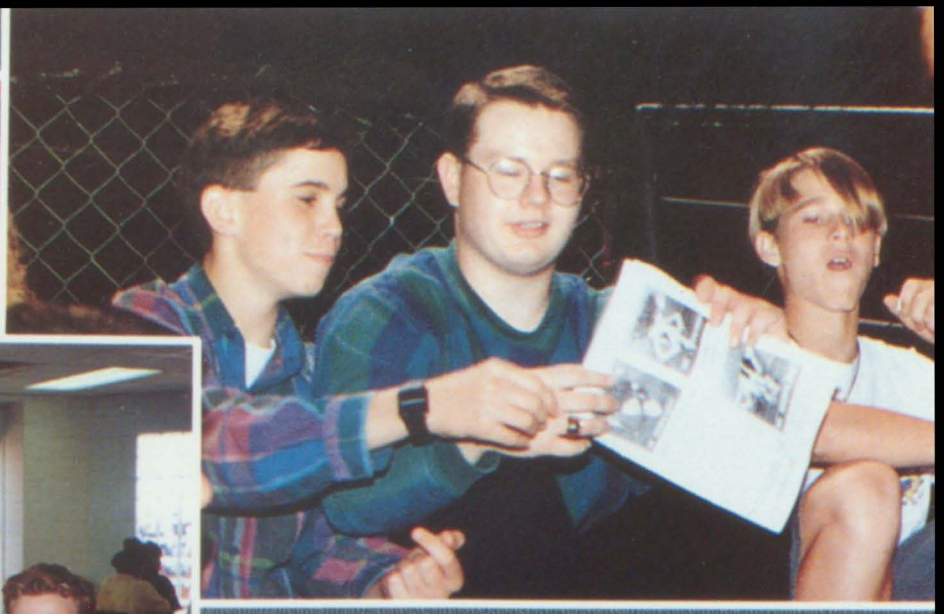

Ta-dah! Lori is very proud of her new home economics department.

FROM THIS POINT ON...

Jason, Scott, and Chuck all believe that "singin' the blues" is surely Victor's call in life.

The most popular guy at the game is the one with the program. Ask Tadlock, Charlie, or Jeremy.

I know! I know! Call on me! These 7th grade "rookies" are wishing that class would never end.

It sure is hot in here. Cory is going to cover while Brian "Redbone" adjusts the thermostat.

Todd and Kimbo are sure the Tigers are #1. Michael and Jason need more time to think it over.

Pee Wee shows his best side to the camera and his next best side to Cecelia. Gotta look good!

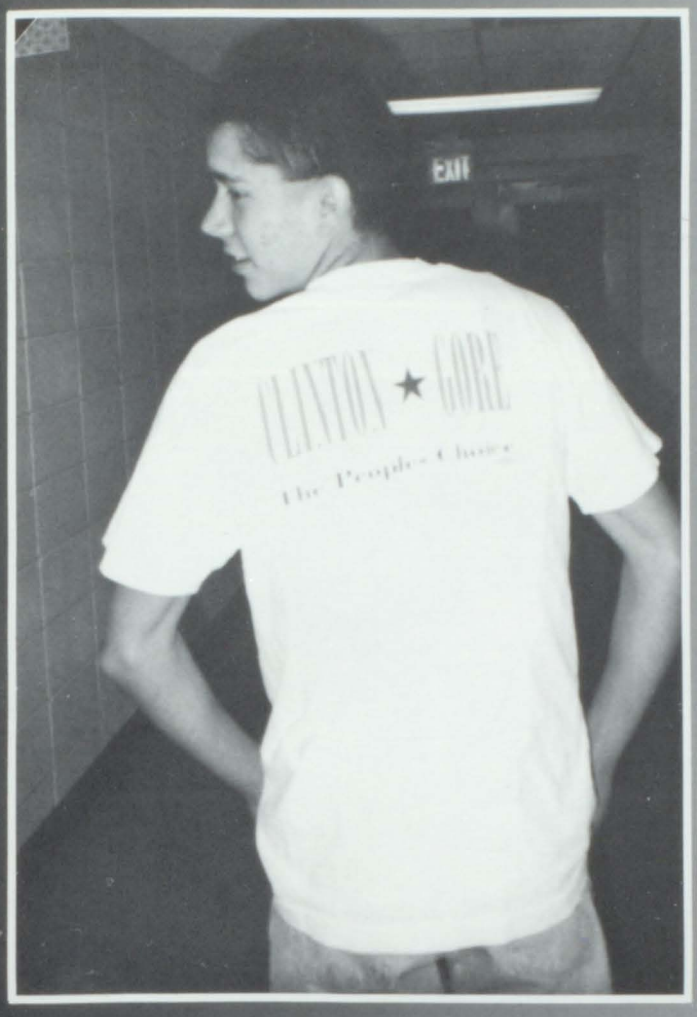

1992-1993
Signs Of The Times

FROM THIS POINT ON...

This year has been a very exciting one for sports, politics, and our school. Three teams that are favorites for many in Elba won championships. The Elba Tigers beat Lamar County for our second state championship. The University of Alabama beat Miami in the Sugar Bowl for their twelfth national championship. The Atlanta Braves won back to back National League Championships. This election year has also been a noteworthy one. The people of Elba elected Ricky Haywood for mayor and some changes took place in city government creating controversy. Governor Guy Hunt of Alabama has had charges brought against him, and is in danger of being impeached. In November, Bill Clinton was elected President of the United States. He will have to deal with the economy and the problems in the Persian Gulf with Iraq. E.H.S. having a "new home" has rounded out an exciting year.

CHAMPIONS

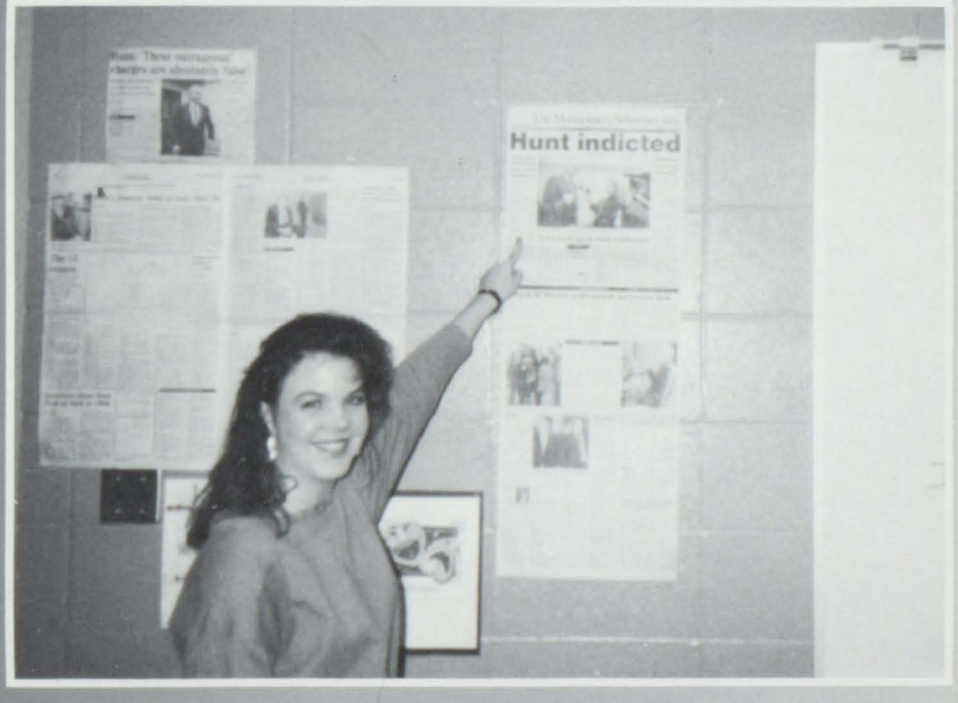

CHAMPS! Kevin, Greg, and Cory are each wearing their favorite 1992 champions shirts.

Election '92! Bill Clinton and his running mate, Al Gore, won the presidential race in November. Freshman Dougie Marler models one of their campaign t-shirts.

The mayor himself! The FBLA sponsored the signing of the "American Enterprise Week" proclamation by Mayor Ricky Haywood.

Extra! Extra! Good and bad news was showered all over state and national newspapers concerning issues in Elba and Alabama as is pointed out by senior Marsha Lewis.

Voter turnout was unusually high this election year. Mrs. Calhoun is about to vote for her favorite candidates.

EHS . . .

One thing that never changes at Elba High is the student body's sense of school spirit. Rich tradition and intense enthusiasm run deep in the hearts and minds of every student. Some play sports; some play music; others cheer them on to success. All however, keep the spirit of Elba High School alive.

One may wonder whether Elba students' successes influence their school spirit or whether their school spirit influences their successes. Whichever the case may be, Elba students are indeed successful. Whether it be in academics, athletics, or the arts, Elba High always seems to stand out from the rest. Every competition is just that — a competition. Elba students enjoy making them school issues, with Elba High's reputation resting on their shoulders. This sense of duty and responsibility causes Elba High to come out on top time after time. The competitive edge allows Tiger spirit to thrive year after year.

Not even cold weather can keep Tiger fans away. These loyal supporters followed the Tigers to victory.

1992 Homecoming Queen Emily Strong was presented to the student body during a special pep rally.

It's the **Pillow People**! The Varsity Cheerleaders provided lively entertainment at every pep rally.

FROM THIS POINT ON...

FOREVER THE BEST

We're number one! Hard work and long practices paid off for the Tigers as they claimed the state championship.

All for Elba . . . stand up and holler! Stand up and holler! Kanahesia!!

Give me a piece! The cheerleaders presented the football players this good luck cake prior to the state championship game. It must have worked.

HOMECOMING 1992

As Homecoming 1992 approached Elba High School, expectations were high that the first Homecoming at the new school would be special. Throughout the week, students participated in numerous activities to show their school spirit. As a result, the Tigers ran away with a 63-0 win over Louisville on Friday night, and Homecoming 1992 was made an unforgetable experience.

Farmbo! Indya and Brandie show off the FFA's winning spirit banner.

TOP LEFT: Elena, Robyn, Chris, Brett, Dusty, and Matthew sport their western wear.

TOP RIGHT: Kristen and Keri proudly dispay their door decoration.

BOTTOM: Shea, Anna, Angie, Cary, and Elena turn the clock back to the fifties.

Roll'em Tigers. The seventh grade shows its school spirit.

Where's my escort! Trease practices solo for the Homecoming coronation.

Go Tigers! Dee Dee excites the crowd at the bonfire.

The tradition of the bonfire continues.

1992 Homecoming Court

As Homecoming 1992 arrived, students and alumni alike anticipated an exciting day of festivities. The traditional parade and various class reunions held earlier in the day were a great success. Homecoming activities culminated that evening as thousands filled Miller Memorial Stadium in anticipation of the Elba-Louisville game and the Homecoming coronation. This year two girls from each grade were chosen to represent their respective class on the court. As the Elba High School Marching Tiger Band played "I'll Be There," the 1992 Homecoming Court was presented. Homecoming Queen Miss Emily Strong was crowned by principal Charles Clark.

Class Motto:
The Reward Of A Thing Well Done Is To Have Done It.

Who is the Class of 1993? . . . Is it just another group of students? The members of the Class of 1993 would certainly disagree.

The Class of '93 has always had a reputation of having outstanding school spirit and pride. It has especially had great success in designing Homecoming floats. It placed first three years in float competition — in the eighth grade with "Follow the Yellow Brick Road," in the ninth grade with "Tigers Just Do It," and in the tenth grade with "Down the Drain." The class also took great pride in their Junior-Senior prom. It raised $15,800.56 in magazine sales to pay for the Prom. The theme chosen was "Midnight Masquerade. The class did a wonderful job decorating the Lake Lodge at Fort Rucker with festive Mardi Gras paraphernalia. The class showed its pride and spirit by blending the old with the new as the journalism staff revived the in-school paper *Tiger Times;* however, the staff used the latest in computer technology to produce the newspaper. Through its many endeavors, the Class of 1993 personified Elba High School's tradition of spirit and pride.

The Class of 1993 has excelled in many ways — on the playing field, in the classroom, and even beyond. The class has experienced two state football championships, as freshmen and as seniors. Not only in football, but in basketball, baseball, and softball also the Tigers have made Elba High proud. The Elba High School Band has also built an award-winning reputation both on the field and on the stage. One of the biggest achievements for the Class of '93 band members was winning Best in Division honors, which consisted of two classes, at the Southland Band Classic in Enterprise, Alabama. In addition, the cheerleaders have tirelessly devoted their efforts to keeping Tiger spirit alive as well as receiving numerous awards at various cheerleader camps. Perhaps the Class of 1993's greatest achievements have been in academics. The class consists of dedicated students who excel in their studies while participating in many clubs and organizations. The many awards they have won and all the recognition they have received prove it.

How will the Class of '93 be remembered? Will they be remembered for being the last class who played in Miller Memorial Stadium or for being the first graduating class from the new school facilities? . . . Perhaps . . . But more likely the Class of 1993 will be remembered for the many contributions it made to Elba High School and for the legacy it left to future generations. J. Jacobs

C.C. ponders a question.

The duo of Chris and Chris, plus Troy seem determined to leave Richie out of the picture. Frank appears unconcerned.

Greg, Zena, and Alex seem to find that letter interesting.

"What are YOU looking at?" asked Chad.

Kanahesia, Dion, and Tamara are waiting for the pep-rally.

Hope, Belinda, Kim, and Brandy enjoy a good pep-rally.

"Can you repeat that, Mrs. Adkinson?" asked the calculus class.

Mary fusses while Greg, Ann, and Stacy pay no attention.

ABCDE

Throughout the holiday season, toys play an important role to both children and adults. In choosing the theme "Welcome to Toyland", the directors of this year's pageant Heather Stinson and Tiffany Tew tried to recapture the joys that these toys bring to all of us. Chosen as the "Doll of Toyland" was Danielle Tew, a junior at Elba High. She is the daughter of Mr. and Mrs. Buddy Bowers and Mr. and Mrs. Allen Tew. There were also four alternates chosen. First alternate was Emily Strong, a member of the senior class. Second alternate was Indya Lawless, a member of the junior class. Third alternate was also a member of the junior class — Robyn Rhoades. Fourth alternate was Loretta Smith, a member of the senior class. The Miss Elbala pageant is open to all girls grades tenth through twelfth.

Behind The Scenes

Welcome To Toyland

Although preparing for a beauty pageant is a lot of fun, it also takes hours of practice and decorating. This year's theme, "Welcome to Toyland," gave the Elbala staff the chance to really use their creativity as they decorated. The stage props included ten-foot tall toy soldiers, kites, teddy bears, baby dolls, and giant ABC blocks. Both the audience and the participants agreed that the finished product was a great success.

Hey guys, what happened to decorating the stage?

While Robyn Rhoades (above) prefers to kick off her three inch heels and take a backstage break, Mandy Shirley and Loretta Smith do not mind being on their feet. They are all smiles for the camera.

Up, up, up, and away! Jake Stokes "helps" decorate the stage.

Miss Elbala Snapshots

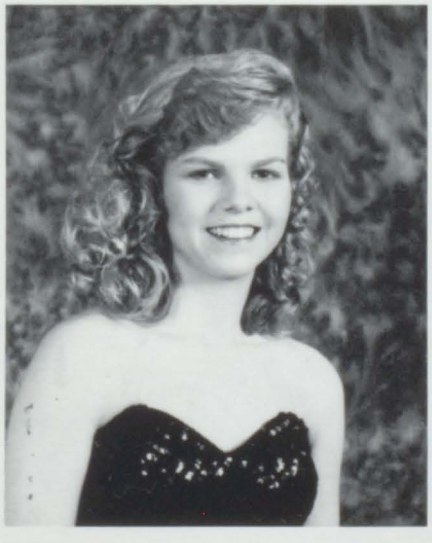

Above, Malinda Tyson was very relieved after the pressure of the introductions was over. Amanda Calhoun and Loretta Smith also relax backstage before the winners are announced. Director Tiffany Tew makes a few changes before the curtain opens.

From this point on the 92-93 Varsity Cheerleaders will be remembered for setting a new standard of cheering at Elba High. Last summer the squad attended camp at Auburn where they won third place in the cheer division, received a spirit stick every night, and had one All-Star cheerleader named. Throughout the year the cheerleaders were busy painting signs, planning pep rallies, and baking goodies for the teams. The squad continued their Tiger spirit throughout the year by supporting the players of all sports.

When the 1992 football season rolled around it was said that the Elba Tigers would not have the quality team they had had in the past. The coaches took this sentiment as a challenge and worked to make the Tigers the type of team for which Elba is known. This team worked hard to overcome many adversities and the team became not only the 3A State Champions, but became champions within themselves as well as in the hearts of others.

The Elba Tigers opened up their '92 season on the road. They traveled to Troy to face the Charles Henderson Trojans. This was the first time since '88 that the Tigers have made the trip to Troy. This was a big game for Elba because it was a chance for them to rebound from last year's season. The Tigers played hard and well all night long. The Tiger offense dominated the Trojan defense while the Tiger defense recorded their first shut-out. The Tigers took the victory 19-0.

Keith fights for yards as he's caught by a panther.

Yatt turns on the speed as he rushes past defenders.

The Elba Tigers stayed home in the second week of the season to host the Georgiana Panthers. The Tigers were looking for their second win of the season and they found it. The Tiger's offense had a little trouble early trying to get their wheels turning against a strong Georgiana defense, but when they did, they were virtually unstoppable. The defense allowed fourteen points, but that was all they allowed as the Tigers rolled over the Panthers 35-14.

The Tigers heard the road calling in the third week of the season. Elba traveled to Luverne to take on the defending 3A state champs. The Tigers knew this was going to be a hard fought game, for it was not only a big rivalry, but it was probably for the area championship. During the first half, Elba and Luverne exchanged the ball back and forth. The score at halftime was Elba 0 Luverne 0. During halftime, the team got a little pep talk and came out in the second half and took control, dominating Luverne. The Elba Tiger defense shut down the Luverne offense while the Tiger offense rolled over the Luverne defense. The Tigers recorded their second shut-out by whipping Luverne 20-0.

LUVERNE/OPP

The 3-0 Opp Bobcats came to town for the fourth game of the season. The two teams battled all through the first half and the Tigers went in at the half trailing 13-7. The Tigers came out in the second half and took control. The Tigers handed Opp their first loss 35-21 boosting Elba's record ro 4-0.

The Tigers had an extra week to prepare for their area opponent, Louisville. This was an unneeded week. The Tigers took control from the opening kickoff. After the first quarter the starters found a place on the bench as the younger guys had a chance to get some playing time. Although the starters only played about half the game the final score was 63-0. Even though it wasn't an exciting game, the win gave Elba the area title and the home field advantage in the playoffs.

LOUISVILLE/SLOCOMB

After crushing Slocomb the Tigers find time to celebrate.

Sophomore quarterback Che Vaughn sticks it in Jamie's gut.

For the second year in a row the Elba Tigers played host to Slocomb. Last year Elba suffered their last loss of the season to the Red Tops. This year the Tigers kicked off and never looked back. They defeated Slocomb 54-6.

Phillip Compton steps up from his linebacker position to make the play.

In week seven the Tigers took a long road trip to play the T.R. Miller Tigers on their homecoming. Elba played hard and led most of the game. They lost the lead in the fourth quarter and never regained it. Mistakes cost Elba the game. The 21-20 loss showed the team that they had to play much harder and eliminate their mistakes. They wouldn't be beaten again.

T.R. MILLER/ANDALUSIA

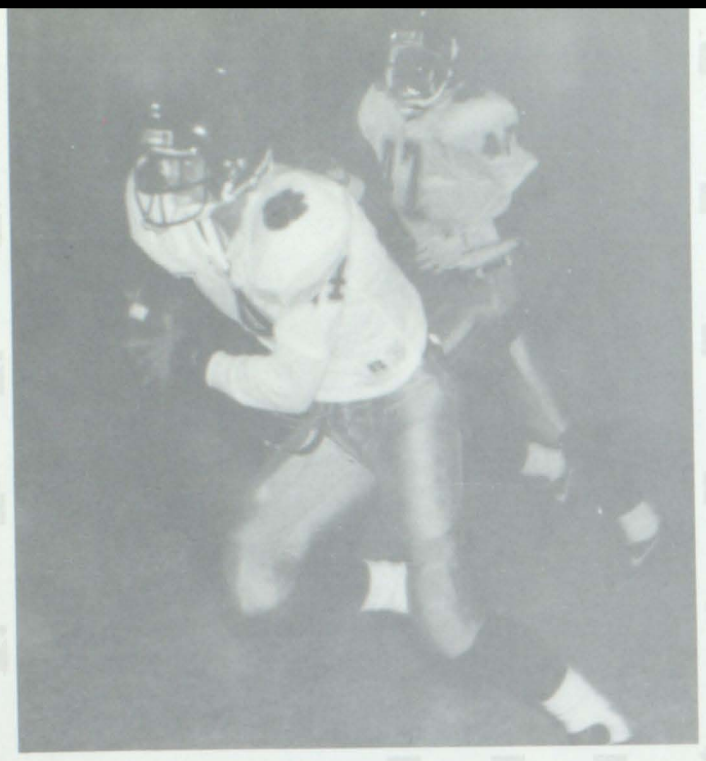

Big Bo Boyd tracks down the Andalusia quarterback.

Jamie just missed keeping this defender from bringing Teddy down.

In week eight the Tigers took all of their frustrations out on a struggling Andalusia team. The Tigers scored at will and were satisfied with a 41-12 win. The Tigers were clicking on offense and they scored on the ground as well as through the air. The defense was as strong as ever allowing only twelve points. This was a great win for the Tigers and it was also the last regular season game played at Miller Memorial Stadium. It was a great way to end the regular home season.

HILLCREST/REHOBETH

Here come the Tigers!

O'Neal cuts through fog to stop a Rebel.

The first round of the playoffs brought the Rehobeth Rebels to Foggy Bottom. The game was close until the second half. The Tigers came out and dominated the last two quarters of the game. They scored on three of their first four possessions. The Tigers advanced with a 28-0 win.

Big Joe eyes the end zone.

Tony looks up field after making a key interception.

The second round of the playoffs took Elba to Mobile to play the St. Paul Saints. At halftime the score was knotted at 10-10. Elba took the lead late in the game and advanced with a 16-10 win.

ST. PAUL/SOUTH CHOCTAW

Julius stops a Southern Choctaw runner cold!

The quarter-finals brought Southern Choctaw to Elba. The teams were evenly matched and it was all out war between the end zones. The Indians got their only score on their first possession. At halftime the Tigers trailed 6-0. Late in the fourth quarter the Tigers scored their only touchdown of the game. This score was enough as Elba advanced to the semi-finals with a 7-6 win.

Choctaw's coach congratulates Elba's Coach Mack Wood.

"The Catch!" Josh Caldwell leaps high to make a great drive saving catch late in the game.

In the semi-finals Elba hosted the Ashville Bulldogs. This game would decide who played for the 3-A Championship. This was the last Elba Tiger football game to be played at the tradition rich Miller Memorial Stadium. The Bulldogs played hard, but the Elba Tigers were too much for them. The Tigers ended the Cinderella season of the Ashville players by defeating them 21-14. The old stadium went out the same way it had come in; with an Elba victory.

Defensive coordinator David Lowery discusses the game plan with his players.

Jamie Brockton dives (bounces) into the endzone for the first score of the game.

ASHVILLE/LAMAR CO.

Defensive end Aaron Smith brings this Bulldog runner to an abrupt stop in the championship game.

It was a perfect night for football. It was a night for Elba to win their second 3-A State Championship. The Tigers took control of the game with an early 9-3 lead. The lead was extended to 15-3 before halftime. The defenses took over in the second half and at the final horn the Elba Tigers had defeated the Lamar County Bulldogs 15-3. From that point on the 1992 Elba Tigers would be remembered as Champions.

In years past the junior high basketball program has consisted of two teams, the seventh-eighth grade team and the ninth grade team. The addition of Gary Class to the Elba staff brought a separation of the seventh-eighth grade team creating three teams. The new seventh grade team only played four games due to the lack of other teams in the area. They ended their season with a record of 1-3.

The eighth grade team led by Coach Brian Weeks had an outstanding season. The team closed out its season with ten wins and only five losses. The team showed what kind of season we could expect from them by winning three of their first five games. They kept the tempo going the whole season and capped their season off with a second place finish in the Coffee County Tournament.

The ninth grade basketball team, which was headed by Frank Phillips, had one of their best seasons ever. The team ended with a 10-4 record and for the third straight year won the Coffee County Tournament. This was a great accomplishment for the team and Coach Frank Phillips. The team members deserve much recognition for this accomplishment because of their hard work and dedication.

Through the years Elba High School has seen many coaches come and go, but there has never been one more dedicated than Coach Frank Phillips. Coach Phillips has been a coach at Elba for 14 years. He coaches junior high football and basketball. Coach Phillips expects the best from his players because he gives them his best every day, an example which is seen early by the students. Most Elba High School students remember Coach Phillips as their elementary physical education teacher. As a teacher he was interested in his students as people not just as athletes. Coach Phillips took time to help the smallest as well as the largest. He did not sit and give orders, but taught by "showing how." He was fair in his officiating, but inclined to "help the girls" with his calls.

Coach Frank Phillips is what teaching and coaching are all about. He continues to produce winning teams because he is a winner.

VARSITY BASEBALL

1993 3-A AREA 4 CHAMPIONS

1993 STATE SEMI-FINALISTS

Over the course of the season the baseball Tigers compiled some pretty good numbers. The team batted .289 with an on base percentage of .397. The team combined for 12 homeruns and a total of 41 extra base hits.

Seniors on the team were: Top (l-r): Joe Donaldson (9), Greg Thigpen (5), Vincent Thigpen (4), Kevin Bryan (7); Bottom (l-r): Lance McCollough (15), Chris Parrish (25), and Jason Free (3).

The Elba Tiger Baseball team got off to a slow start this year. They opened up their season by dropping their first two games to Andalusia but rebounded back to beat Pike County. After the Tigers first win, they would then drop three more games. The Tigers took AEA break with a 2-5 record. The break seemed to be just what the Tigers needed. When they resumed play that Monday, the team started the longest winning streak since Coach David Lowery has been a coach, eight winning games. The team dropped two to Opp, breaking their winning streak. The Tigers won their area by beating Luverne and Louisville and played the first round of the playoffs at home against Geneva. The Tigers would advance to the second round with a 10-0 defeat of Geneva and would travel up north to face Glencoe.

After a five and a half hour bus ride, the Tigers showed up to play ball and that they did. The Tigers beat Glencoe 5-2, advancing them into the quarter finals to face Elmore County in Elba. This was the second time that Coach Lowery has coached a team to the quarter finals. The Tigers would make school history by defeating Elmore County 8-7 and advancing to the semi-finals or final four. The Tigers would travel to Mobile to face U.M.S. Wright. It would be a best two out of three series. This series would not fall in the Tigers' favor. The team could not buy a hit. It seemed that every time the Tigers thought they had a good hit, there would be a U.M.S. player to make the play. It would only take two games for U.M.S. to knock Elba out of the playoffs. The Tigers fell 5-2 and 6-2.

Two years ago Coach Susan Barnes became a new member of the Elba High Athletic Department. Over these two years she has become somewhat of a "superwoman" to many high school girls. She has amazed them with her ability to juggle her dual role as cheerleader sponsor and girls softball coach. Mrs. Barnes has sacrificed many long hours of the summer and after school with the cheerleaders, yet has managed to move smoothly into softball season. Many times she has had to balance a schedule with both responsibilities. Although Mrs. Barnes has worked with numerous girls over the years, she makes it a priority to know each of "her" girls personally and is always willing to listen and help. By combining the role of disciplinarian, instructor, and most importantly friend, she is the perfect example of a great coach. With her dedication all girl athletic programs should flourish **from this point on.**

Special Olympics provides sports training and athletic competition giving mentally challenged athletes opportunities to develop physical fitness, demonstrate courage, experience joy, and participate in the sharing of gifts, skills, and friendship with their families, other Special Olympics athletes, and the community.

Fourteen athletes from Elba High School and eight students from the Elementary School competed in the Special Olympics program this year. These athletes competed in the sports of volleyball, rhythmic gymnastics, and track and field.

The volleyball team competed in a state-wide tournament December 4th at Alabama State University in Montgomery. First place honors were wrapped up as the Tigers beat the Keith High School and Westside High School teams 15-4, 15-1, 15-9, and 15-6.

The Elba Rhythmic Gymnastics Team competed in tournaments December 2nd and April 22nd of this school year. This team won more 1st place awards than any other in the state of Alabama for the school year 1992-93.

The Track and Field team consists of 22 athletes. Twelve of these athletes qualified to compete at the State Games held May 14-16 in Ft. Rucker. The Elba Track and Field team brought home 17 gold, 13 silver, and 10 bronze medals.

Prom '93

On May 14, the junior class hosted an "Evening in Paradise." The prom was held at the Lake Lodge on base at Fort Rucker. The lodge was transformed into a tropical scene, encompassing volcanoes, thatch huts, palm trees, and fruit. At nine o'clock the lead-out was held, honoring the officers of both the junior and senior classes. Following the lead-out, members of the two classes and their dates were entertained by music provided by PRO-CAT. After hours of dancing and socializing, the members of the junior and senior classes made their way to their respective breakfasts.

We have arrived. The prom may begin, according to Kiki and Alice.

Junior And Senior Breakfasts

After the prom the juniors and seniors attended their breakfasts, which were hosted by their parents. The senior breakfast was held at Hawkins-Williams Park where the country band "Patsaliga" entertained. The junior breakfast was held at the home of Representative and Mrs. Jimmy Holley. For the breakfasts each class designed a souvenir tee shirt. Juniors and seniors alike had a great time and made many memories.

Baccalaureate is the religious service marking the end of the seniors' high school career. It was held at 6:00 on May 30, 1993. This was the first Baccalaureate to be held in the new auditorium. The guest speaker was Dr. Frank Wells, pastor of the First Baptist Church of Elba. His sermon challenged the class to draw on faith in God and Christian principles as they make decisions in their young adulthood.

"How long until we get started?" Ann and Jason are wondering.

This was the first auditorium graduation in several years. Problems were expected, but everything happened as planned. Good speeches were given by the Superintendent and Valedictorian. This was also the first graduating class from the new facilities of Elba High School. Everyone left pleased and happy to be graduated. Amy,
We love you and are very proud of you. May God bless you as you begin this new chapter in your life.
Love,
Dad, Mom,
Warren & Kara

You will always be our little Baby J. We love you!
Mama &
Daddy

Lisa,
Congratulations! We are very proud of you! We wish you the best of luck in whatever you decide to do.
We Love You,
Mom & Dad

Beth,
What success really means is looking failure in the face, and turning it into a winner. You are the only person who will ever know how much you have achieved, but in that knowledge you have something that millions of people will never have — courage, determination, and character.
Love,
Mom

Suzanne,
You are God's Special Gift. We love you so much and we are so proud of you.
Love,

Brandy,
Congratulations! We love you and we are very proud of you.
Dad & Mom

Kim,
Congratulations! We love you, and are very proud of you.
Mom, Patrick and Julie

Mandy,
The success you are seeking is in yourself. It is not in your environment; it is not in luck or chance, or the help of others; it is in yourself alone. Set goals to give you direction, and remember the only obstacle to your realization of these goals is your doubt.
With pride and love,
Momma

Mandy,
From a bright and loving child, you have grown into a bright and beautiful young woman. We anticipate a wonderful future for you. May God's presence and spirit dwell within you and guide you always.
With love and best wishes,
Daddy, Wanda, Griffin & LeHill

Tamara,
Congratulations! We are so very proud of you. Good luck in the future.
Love always,
Mom, Dad,

We're so proud of you! Always remember to set your goals high and work hard to achieve them. You've been a wonderful example for your three little sisters and a joy to us as we've watched you grow up.
We love you,
Momma, Daddy, Emily, Laura, and Katie

Tiffany,
You were our first ray of sunshine eighteen years ago. You have filled our life with many, many glorious memories and our hearts with love and joy. We love and wish you a future filled with much success and happiness.

A **truly** happy baby — make sure you are also a happy **man!**
I Love You!

Congratulations! Roll Tide!
Love,
Mama, Daddy, & Anna

Heather,
From the day you entered our lives, we knew you were a very special little girl. You have been like a glowing light for the past 18 years. May that light never dim, but continue to grow stronger and brighter through the years to come.
We love you,
Mama, Daddy, Holly & Suzanna

Alan,
Congratulations! We love you!
Mama and Daddy

Kyle,
At 4 you came home from the county pond saying, "Look, Mother, what I caught." At 17 you come home from a Bass Tournament telling, not showing, how many you caught because you adhere to the Bass Club motto — "Catch and Release."
Good luck,
Mother and Daddy

Joey and Kevin,
Congratulations! I'm proud of both of you!
Love,
Grandmother

Joey,
You've come a long way since that first step. We are proud of you and we love you.
Mama & Daddy

Kevin,
Kids are like kites. You spend a lifetime trying to get them to fly, you both run out of breath. Finally you get them up and the string breaks holding you together. Then they soar on their own. The way they were meant to. Proud and Free. Congratulations!
Love,
Mother & Daddy

Joey,
Congratulations for reaching this milestone in life.
Love,
Daddy & Patty

Rex,
The lean, mean, flying machine! We love you when you're happy and we love you when you're having a day like this one!! Reach for the stars, you just might catch one.
God Speed
Dad, Mother, Kristi, and Will

Chris,
Congratulations! We are very proud of you! With love and best wishes.

"We began working on our yearbook in September and we finished in June. It took us ten months to complete what we believe is one of the best yearbooks Elba High School has ever produced. We worked and played and fussed and laughed and had some of the best times in school we've ever had."

Final Thoughts . . .

Another year has come to an end and so too must this publication. Many long hours have been spent compiling this historical account of the 1992-93 school year. It is my sincere hope that this Elbala will provide you with an accurate written record of the past year's many memorable events.

This year saw many changes. School began in the new facilities and play ended at Miller Memorial Stadium. Graduation was held in the new auditorium. Once again, students had halls through which to walk to get to class instead of worn, often muddy dirt trails.

No doubt this year will be remembered for being the first in the new school facilities. I would hope, rather, that it would be remembered for the special people and special events that made this year such a success. The opening of the new facilities was merely a long overdue reward for the student body's and faculty's patience, diligence, and dedication.

Joe Jacobs

On a personal note, I would like to thank the Elbala Staff for making my job not a job but an adventure. We laughed together, ate together, complained together, and though there were times we could have strangled each other, we grew to be even closer friends. I will never forget your unique personalities and abilities. And to Mrs. Helms, I owe you my gratitude for helping me keep my sanity as I helped you keep yours and for always reminding me to be tactful. To those I leave behind, I wish you the best of luck, and I hope that you will continue Elba High's tradition of excellence ***from this point on*** . . .
